FULL STACK DEVELOPER

Transitioning from a non-IT background, I am a MERN Stack Developer with a beginner-level foundation in front-end and backend development. I completed a Full Stack Development (FSD) course at Guvi (IIT Madras) from August 2023 to March 2024, acquiring skills in HTML, CSS, JavaScript, Bootstrap, React, Node.js, Express, and MongoDB. Currently, I am in the placement session at Guvi, seeking opportunities to apply my skills in dynamic web applications and innovative software solutions.

TECHNICAL SKILLS

Languages : JavaScript, HTML5, CSS3 **Frameworks** : Express.js, Node.js, Bootsrap

Libraries : React.js

Databases : MongoDB, MySQL

EXPERIENCE

Officer 09/2020 - 12/2022 Chennai,Tamil Nadu,India
